

VILI COMPOSITES
Think Deeply Work Better

COMPANY PROFILE :

Vili Composites industries was establish in the year 2012 to manufacture and world class product related to water treatment industry. Pressure tubes in one of the products under the brand name of " VILI COMPOSITES", used as housing for various brackish water, reverse osmosis and sea water desalination.

The state of the art manufacturing facility at morbi, Gujarat uses the latest technology on RO pressure tubes, backed up by committed and highly experienced working team.

Product range and specification

4-E" Pressure Tube

FEATURES

- + Available in 4" and 8" Series.
- + End port, Side port and Combiport Designs
- + Quick Locking System
- + Available for 300,450,600 PSI

APPLICATIONS

- + Industrial Process
- + Brackish Water RO Plants
- + Sea Water Desalination

4-S" Pressure Tube
